

The Time is Now: Fostering an Inclusive Culture to Drive Gender Equity in Medicine

Wednesday, July 15

[Register here](#)

Co-Hosts: Center for Women in Academic Medicine and Science , AAAS SEA Change, The New York Stem Cell Foundation Research Institute

Meeting Objectives

- Highlight the critical importance of metrics-driven gender equity initiatives in academic medicine
- Discuss the types of metrics necessary for transforming the culture of schools of medicine to be inclusive, equity-minded, and diverse
- Conduct an interactive panel discussion with academic leaders about the unique challenges, opportunities and considerations for advancing gender equity in schools of medicine
